

Locker Policy

1. Each student in grades 7-12 will be assigned a locker to use for the school year. Students are able to purchase a lock from the school at a cost of \$5 or may provide their own. The combination for personal locks must be submitted to the office.
2. Lockers must be kept neat and clean and each student is responsible for leaving the locker clean and empty before going home for the summer.
3. If damage is done to the locker, the student must report it to the office within 24 hours of discovery, otherwise the student will be held responsible for the repairs.
4. The school accepts no responsibility for personal valuables that are left in lockers.
5. There is a zero-tolerance for the following items:
 - Illegal drugs
 - Any drug paraphernalia
 - Alcohol
 - Cannabis products
 - Stolen property
 - Weapons
 - Items deemed by the school or the RCMP to be a danger to others
 - Anything that is illegal to possess
6. Students are permitted to keep prescription drugs in their locker if their doctor has prescribed those drugs for the student's use.
7. Lockers used by students remain the property of the school and as such, students have no expectation of privacy concerning items stored in their locker. Administration reserves the right to open, search and inspect lockers. If a locker is searched and administration finds any of the items listed above, the school may seize those items and use them as evidence for school discipline. Administration may give seized items to the RCMP for possible criminal investigation or charges.
